SCHOOL BASKETBALL TOURNAMENT PART 4 - VS. IRO-OTOKOGUMI

AFTER THE EYE-OPENINGLY (?) BAD GAME BETWEEN CLASSES 10 AND 1 HAD ENDED, THE SECOND MATCH WAS TAKING PLACE ON THE COURT...

↑ I don't think the level of bracket is actually used as game, though.

† It's probably not legal to interfere with a shot after the ball has started to fall down...

IT WAS TIME FOR THE KIMENGUMI TO PLAY AGAIN IN THE FOLLOWING MATCH, THEIR OPPONENTS BEING THE IRO-OTOKOSUMI OF CLASS B

THUS THE SECOND MATCH ENDED WITH THE SCORE 2-0, DESPITE IT BEING A CRUSHING VICTORY FOR THE UDUGUMI

BEHIND THE SCENES

LOOKALIKE CHARACTERS POINTED OUT BY FANS

KIREIDE SHO · UNDOU KAI

Kai's eyes are slanted upwards and his mouth is closer to his nose.

URU CHIE · KAWA YUI

Yui's face is rounder while Chie has slightly droopier eyes.

HOKORI TAKASHI · KANOU YUTAKA

BONUS ♡

The same as on the right! The Iro-otoboguni members have better looking faces.

SETTO KIMERU · AKIRESU REN

They have a similar vibe at first glance, but actually look completely different.

TANOKIN TORIO · KAWA YUI

...I can't defend this. Hairstyle and gender aside, they look the same.

URU CHIE · IKARI MASUO

Their personalities are somewhat similar as well, but Chie is droopy-eyed.
